1432 W San Carlos St Apt. 524
San Jose, CA 95126
(404) 931 - 7724
root@hweeks.com

EXPERIENCE

Intuit, Mountain View — *Senior Software Engineer*

Sept 2016 - PRESENT

Created node module build systems for local development and production releases.

Created and enforced JS linting standards, along with Git hook versioning and increased testing coverage.

Wrote and maintained Express micro-services

Apple, Sunnyvale — *Web Application Developer*

April 2015 - September 2016

Built and maintained Backbone internal asset tracking software.

Largely written in CoffeeScript and a back-end in Erlang.

Designed and built various dashboards for asset health tracking and inventory sanity.

WebMD, Atlanta — *Associate Web Developer*

October 2014 - March 2015

Maintained the symptom checker tool.

Pushed new templates for marketing.

Maintained the WordPress powered blogging platform.
